Roscoe’s Pledge

All members of the community who will reside on campus or spend any amount of time on campus are asked to take Roscoe’s Pledge to help ensure the health and safety of students, faculty, staff, and others.

- **Maintain physical distancing** (a minimum of 6 feet).
- **Wear your face covering/mask properly** when you cannot maintain distancing.
- **Wash** your hands as often as possible for at least 20 seconds.
- **Stay home** when you or someone in your household is sick.
- **Clean** and disinfect surfaces regularly.
- **Cough or sneeze** into a tissue, sleeve or elbow, not your hands.

Everyone is a vital part of the TCNJ community, and sticking to these simple practices will help keep us all healthy.
